Connoisseur's Corner.....10

Welcome to the Hunter's Expo edition of the Hunter's Journal. Planning for the Expo on February 7-9 is well underway. With only one dinner this year we have tried to be very selective in our auction items. So far we have only one hunt that will have a minimum bid; all of the rest are 100% donations from our generous contributors. There are numerous hunts to Africa, elk, pronghorn, turkey and pig hunts in the States, and a mountain goat and bear hunt in Alaska. In addition we will have two Life Memberships in SCI and a spousal Life Membership up for auction. Plan to be at the Saturday night auction and dinner; I think you will find something to excite your bidding juices.

The Expo dinner will also feature two games of "Reverse Bingo", one for a hand-made long range muzzleloader and the second for a Browning X Bolt rifle. This is great fun for a \$20 bill and the chance to win an extraordinary rifle. The 10 gun table rifle will also be held again this year, with another \$20 contribution giving you the chance at another fine gun. And don't forget the raffle tables and the silent auction. We are confident you will see some great items for you to take a chance on.

The Youth Wildlife Experience will take place on Saturday morning. Thanks go to Bryan Schanze and his committee for putting this together again, and to Mike Hagen and his team who completed all the IRS hoops and established a non-profit foundation so we could use the generous donation of the Potterfield family. We will forever be thankful for the work of these dedicated members and to Mr. and Mrs. Potterfield.

We need VOLUNTEERS!! Please contact me or any Board Member and let us know when you can work. The 10 members of the Board can't be everywhere all the time. We need help at the raffle tables, at the BB-gun shoot, at the archery booth, and with setup on Thursday and take down on Sunday evening.

A special thank you to all the members who either got us new members or renewed their membership. The Life Memberships, the Spousal Life Membership, and the Browning X Bolt rifle are all bonus items from SCI for our membership efforts. And THANKS to Fred Robertson for his efforts in keeping our membership roles full.

Thank you to each of the members of the Board of Directors for their extraordinary efforts in making the Expo come together. Hope to see all of you at the event. Check out the chapter website at www.kcsci.com and click on events and see the Expo pages with exhibitors and auction items.

See you on February 7, and thanks.

KC-SCI CALENDAR OF EVENTS

From the Editor:

While wrapping up this issue of the Hunter's Journal I took some time to read the latest issue of Safari Magazine, and I was reminded again of the importance of SCI in the in the preservation of our hunting heritage and wildlife conservation.

Closer to home, at each KCSCI Director's meeting I see a group of people that want to substantially "up our game" in the Kansas City Region. Ultimately, however, the directors' role is to serve the club members, and it is up to the club members to decide if KCSCI will have a greater impact for hunter's advocacy in our region.

I have often written in this space about the tremendous influence one person can have if they decide to "own" an issue and put their "boots on the ground," and it is something I have a strong belief in. I also believe the culture war is upon us, and it is far from certain who will be victorious.

See you at Hunter's Expo!

See page 8 of this publication to order tickets to the KCSCI Dinner Banquet and Benefit Auction.

Custom Rifle Raffle to Support Hunt for Warriors

For the third year in a row Ray Lawler has provided KCSCI with a custom rifle that the club will raffle off in support of the Hunt for Warriors. The next Hunt for Warriors will be almost entirely funded by this raffle.

The raffle winner gets a rifle built to their specifications by Ray Lawler. Only 250 tickets will be sold (\$20 each,) so check with a board member to purchase some or pick up tickets to sell to your friends. Tickets should also be available at Hunter's Expo, at the KCSCI booth.

Win a Ten Day Alaska Cruise for Two

KCSCI, in cooperation with Leavenworth Travel, is offering raffle tickets to win a ten day Alaskan Cruise for two people, including airfare from Kansas City. Raffle tickets are \$50, and there are only 300 tickets available. The drawing will take place when all 300 tickets are sold. The trip is valued at \$6000.

All ticket buyers can display their ticket stub at Leavenworth Travel to receive 5% off other travel booked with Leavenworth Travel. Contact a KCSCI Board member for tickets.

Funds from this raffle will be used to increase KCSCI's support for conservation and hunting programs in the greater Kansas City Region—including programs like Everhart's Youth Duck and Turkey Clinics.

HUNTING REPORTS

Father and Son at Wild Boar Ridge

by Robert Anderson

I was fortunate enough to win a portion of this hunt at the Friday night auction at last years Hunter's Expo. My son and I went down to Smithville, Oklahoma the weekend after the 4th of July. The cabin we stayed in was comfortable with air conditioning, shower, etc. and could sleep up to 11. We had the option of cooking for ourselves but actually had them provide the meals. I was glad we did because what we ate was probably some of the best home cooking I have ever had from breakfast to dinner with great main courses and outstanding desserts.

The hunting was great also. The first portion of our hunt was in a low fence area of I believe 150 to 200 acres with Dale Toon owner/guide who is great with young people. The low fence area had hogs, rams, fallow deer and even one Watusi/ Longhorn mix. My son shot his hog in the morning after about 2 hours of spot and stalk. We then helped skin and quarter the hog with Dale, after which we had lunch.

We then in the afternoon went after the Texas Dall Ram for me. We had blanket covered the low fence area when we were about ready to call it quits before dinner

when we saw a nice ram. The stalk was easier than for my son's hog and I took this ram with one shot just as my son did with his hog.

It was a great time and we look forward to going back sometime in the future.

Quail at Covey Rise Plantation

Submitted by George Sumter

Hunted the week of December 16 in Camilla, Georgia at Covey Rise Plantation. Ten of us killed 486 quail in a day and a half. This picture is at the midmorning break and the two of us had 36 quail. It was a first class operation southern plantation style with great facilities and hospitality.

Submit a Hunting Report

A hunting report is a great way to share your field experiences and educate other hunters.

If you purchased a hunt at our Hunter's Expo, especially if it was a donated hunt, do the outfitter a favor and write a quick report to show your appreciation for their support of KCSCI!

To submit a report, email is best, send it directly to dsoine@sbcglobal.net. Otherwise, a report on paper or some other media can be given directly to David Soine or any of the KCSCI board members.

VENISON STEAKS

This is a good way to cook any kind of game meat steaks; deer, moose, and elk. Use your better cuts such as back straps or tenderloin. In a bowl mix 1/2 cup of white wine, 1/2 cup of olive oil, 3 Tablespoons of soy sauce, 1/2 teaspoon ground cumin, 1 tablespoon of crushed garlic. Place 4-6 steaks in the bowl and mix around until they are well coated. Cover and keep cool for several hours. You can either grill or pan fry these steaks.

When you start to cook them, lightly salt and pepper both sides, cook just a few minutes per side. They are perfect at medium rare, **DON'T OVER COOK**. Serve this with sautéed mushrooms and mashed potatoes.

SAUTÉED LIVER

You can use calf, deer or elk liver for this. Cut the liver into about 1/2 inch thick steaks. Marinate 4-6 steaks for one hour in 1/2 cup of olive oil, juice of two lemons, pinch of salt and pepper, 1/2 teaspoon of paprika.

Cook up 6 slices of bacon, remove the bacon and sauté the liver in the bacon fat for several minutes per side. Remove the liver. Add one chopped onion, 1/2 chopped bell pepper, cook 6-8 minutes, then crumble in the bacon, add 3 tablespoons of flour, 1 can of beef broth, 1/2 cup of red wine, one teaspoon of soy sauce.

Stir and thicken, add salt and pepper to taste. Put the liver back in the pan, just long enough to heat up. Do not over cook the liver. Medium rare is perfect. Serve with rice or egg noodles.

CIGAR

Alec Bradley has a great line of cigars in several price ranges. One of their highest rated cigars is the FAMILY BLEND rated at 94 points. This cigar is medium in body. It is filled with a mixture of Honduran and Nicaraguan long-fillers. It is smooth and well balanced and has a good burn and draw. \$8-12

WHISKY

Just sampled the new high end whisky from Crown Royal, it is Crown Royal XO. This was crafted by taking some of their finest whiskies, and finished them in cognac casks. This is really smooth, drink it straight up or with one ice cube. \$45

Enjoy,

Chris
